Dear Valued Member:

Building North Central Washington now offers our members access to the best health insurance coverage in Washington, at the lowest cost. Plus, your participation in the **BNCW Health Choice** plan will help support BNCW's programs and services.

More choice means bigger savings

BNCW Members will receive customized plan comparisons and quotes from top-rated insurance companies like Regence Blue Shield, Premera Blue Cross, Asuris NW, United Healthcare, Group Health, Cigna, Aetna, HealthNet, Kaiser, Assurant Health, and more.

Find the perfect plan for you

Members will be able to choose from popular individual health plans, group plans for groups of 1 to 1,000, Health Savings Account (HSA) plans, and other creative options like Health Reimbursement Arrangements (HRA) and partially self-funded plans that offer potential premium refunds based on usage.

Change your plan at any time

Even if you've recently renewed your current health plan, you can move to a better policy at any time of the year. The process is easy and seamless, even deductibles are credited from your old plan to your new one. You don't have to wait until next renewal to start saving money.

Dedicated service and ongoing support

Once you've found the right health coverage, a licensed agent will be available to provide support and help you manage the day-to-day administration of your health insurance plan.

For a free quote and plan comparison, simply complete the attached "Request for Health Insurance Proposal" form and fax it to the BNCW office at (509) 665-6669.
