The undersigned hereby authorizes Building North Central Washington (BNCW), or its assigns, to initiate and make debit entries to the account indicated. Withdrawals will be made on the 15th or 30th of each month and will commence the month following receipt of this agreement for payment to BNCW of all amounts owed by the undersigned pursuant to the contracts referenced above. An authorized signor on the Company's checking/savings/credit card account indicated below must execute this Authorization Agreement. **This agreement binds the Payer to one full year of membership dues paid in installments.**

In the event funds are not available in the bank account noted below on the day payment is due, BNCW, or its assigns, will attempt to draft again within three (3) business days. A fee may be assessed to the account(s), and electronically collected for each transaction, if funds are not available.

For my convenience, my membership will automatically renew each year, for the term of one year, unless I notify BNCW of my decision to cancel my membership at the end of my current member year.
